

## Policy W5 – Sealing – Second Coat Seal

### 1. Policy Intention

To ensure funds for the application of Second Coat Seals are carried forward for the completion of that work.

### 2. Policy

- (a) All construction projects shall be costed to include the provision of a Second Coat Seal.
- (b) Where the Second Coat Seal is not applied during the construction process, any remaining funds (to a maximum value of the second coat seal) shall be carried forward until the seal has been applied and a register be kept for each road involved.
- (c) Any excess funds after the completion of the Second Coat Seal shall be re-distributed to the provision of re-seals throughout the Shire of Murray.
